

ANTI-DOPING ORGANIZATION OF HONG KONG, CHINA

Anti-Doping Organization of Hong Kong, China – Education Talks

Aims/Objectives

1. To invite secondary schools to participate in the captioned event.

Background

2. Anti-Doping Organization of Hong Kong, China (ADOHK) is responsible for the implementation of doping control and promoting fair play in sport in Hong Kong. Education is one of our major tasks and we believe that an early introduction of sport ethics to young people is an effective way to promote fair play. Education Talk for Secondary Schools was therefore introduced since 2015 and the initiative was well received.

Details

3. Following the success of previous years, ADOHK will continue to organize Education Talks for Secondary Schools during the school year 2023/2024, catering to all secondary school students (including those who take Physical Education Elective of the HKDSE, sport teams, etc.). The main objectives of the Education Talks are to enable participating students to:

- a. Understand the spirit of sport and the importance of fair play
- b. Apply the spirit of sport to their daily lives
- c. Know what doping is and its consequences

4. Schools are required to complete and return the **Application Form** at Appendix II by fax to 2890 3677 or email to antidoping@antidoping.hk.
